Windy Hill Road/Maclang Road Connector

General Project Fact Sheet

Description: Connect Maclang Road/Powder Springs Road to Windy Hill Road via a limited-access roadway.

Purpose: To relieve traffic congestion on adjacent streets including Powder Springs Road, Callaway Road and Austell Road.

Preliminary Schedule:

Task	Approximate Begin	Approximate End	Approx. Term (months)
Concept Phase – Public Involvement	November 2006	May 2007	7
Roadway Plan Preparation & Environmental Permitting	June 2007	October 2008	17
Right-of-Way Acquisition	January 2008	2009	12
Construction	Early 2010	Mid 2012	24

Schedule above is subject to change.

Preliminary Traffic Projections:

Location	2006 Existing	2012 Without construction	2012 With construction
Windy Hill/Maclang Road Connector	N/A	N/A	23,650
Powder Springs Road	40,000	44,850	32,000
Callaway Road	15,900	17,800	12,050

Numbers shown as ADT=Average Daily Traffic

General Comments:

1. A Public Information Meeting (PIM) will be held around April/May 2007. This meeting will be advertised via the newspaper, Cobb County website, and roadway signs.
2. Design speed is 35 mph.
3. A 2-lane limited-access roadway will be constructed as part of this project. To improve safety and traffic operations additional lanes may be constructed at each intersection.
4. There is currently no funding for a future widening to 4-lanes, and there is no project programmed at this time. However, Cobb County is planning to acquire, as part of this project, approximately 100 feet of Right-of-Way to accommodate a future 4-lane facility.
